Supported by the Vulnerable Supply Chains Facility (VSCF), a rapid COVID-19 response facility set up by the UK Foreign, Commonwealth and Development Office (FCDO), and managed by Mott MacDonald Ltd. The Facility partners with 20 UK and international retailers and brands, and 9 not-for-profit organisations, supporting over 100 suppliers across Bangladesh, Ethiopia, Ghana, Kenya, Myanmar, Tanzania, and Zimbabwe. It is providing economic, social, and health benefits to around 1 million women and men directly and indirectly in 2020-21.
